Spalding 72354 Residential Portable Basketball System - 48" Polycarbonate Backboard- $392.00 delivered

- You can play basketball every day in your backyard with the Spalding 72354 Residential Basketball System. The attached rim is made from solid steel, and features an all-weather net that can withstand different weather conditions. The 37.5-gallon base on the Spalding 72354 Residential Basketball System adds stability, and can be filled with either sand or water. This residential portable basketball system has a full manual to help you quickly and accurately assemble your system. With this steel-framed 48" polycarbonate Spalding basketball backboard, you won't have to worry about purchasing a new system as your child grows. The Pro Glide lift system allows you to easily adjust the height in six-inch increments, from 7.5 feet to 10 feet. This residential portable basketball system is a wonderful choice for basketball players who want to hone their skills at home.
Spalding 68454 NBA Portable Basketball System - 54" - $1,735.00 delivered

Take your play to a whole new level with the Spalding Portable Basketball System. The system includes a 54" tempered-glass backboard, which supports the Arena Slam breakaway rim structured to an aluminum frame. The Screw Jack adjustable height system moves the basket from 7.5' to 10'. The 40-gallon base features a screw-in water level base cap, which provides a visual aid to monitor water level in the base. And this Spalding portable basketball system can be taken down easily and moved to another location.
